PAPERS PROCESSED

Date Started: April 1, 2005
Collection Title: **Marian H. Shannon Collection**
Date Span: 1927 - 1987

Inclusive Subjects:

These records are a collection of information on Marian H. Shannon. Shannon was an educator, who graduated from Booker T. Washington High School. She was one of the only three women who served as president on the Florida State Teachers Association (FTSA). She was the last full term president and was at the helm during the merger with Florida Education Association (FEA). She served in vital community, religious, and fraternal organizations. Shannon has been a member of Bethel AME since 1938 and is a member of Zeta Phi Beta Sorority. This collection contains photographs, programs, profiles, correspondences, documents, and newspaper articles.

Brief description of processing procedure:

The records in this collection were located in the Black Archives ready reference room. After a preliminary survey was conducted, it was discovered that the records of Marian H. Shannon were in chronological order. To process the collection, the information was placed into categories, and then transferred into acid-free file folders. After being appropriately labeled, the folders were organized in alphabetical order and placed in an acid-free box. A content listing was made, and appropriate labels were attached. The boxes were then stored in the collection room. This collection is processed at the file folder level and is now ready for an item level inventory.

Marian H. Shannon Collection – Continued

***** Archivist Note:** This was a separate collection in need of processing and cataloging. The collection includes several photographs, articles, correspondences, an extensive Washingtonian collection, Tropical Dispatch, and other memorabilia. The collection was placed in categorical order with subcategories in effort to make it easier for researchers to follow. Shannon was involved in so many organizations that we felt it was important to place them in categories of Religion, Dade County Teachers Association, Education, and Greek Files.

****Researchers Key:** Researchers should cross-reference Marian H. Shannon records with other material in the archives' collection. Other collections include Booker T. Washington Senior High School, Religion, Bell South Calendars, and the Zeta Phi Beta Collection. (tab)
